SIDMOUTH

A year-round quality **Regency resort** set amongst the sandstone cliffs of the **Jurassic Coast**. Sidmouth has maintained its unspoilt charm, full of history and architectural gems of the Georgian and Victorian era. Its broad appeal offers something for all tastes, be it **rambling, rockpooling** or just resting and **relaxing!**

In the summer months, **Jacobs Ladder** and **Connaught Gardens** are home to the excellent town band, along with historic Britain in Bloom award winning gardens. The town is also blessed with a picturesque **golf course**, excellent local community **theatre** with full summer repertory, and a state-of-the-art **3D cinema**, not to mention a local public **indoor pool** with free swimming for our guests.

East Devon is an **Area of Outstanding Natural Beauty** and Sidmouth is perfectly placed as a base for exploring the beautiful East Devon **countryside** and nearby **historical towns**, it's also only 13 miles from the Cathedral City of Exeter.
